Pesticide Disclosure

State law requires that you be given the following information:

CAUTION-PESTICIDES ARE TOXIC CHEMICALS. Structural pest Control Operator's are licensed and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Food and Agriculture and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If within 24 hours you experience symptoms of dizziness, headache, nausea, reduced awareness, slowed movement, garbled speech or difficulty in breathing, or symptoms similar to common seasonal illness comparable to the flu, contact your physician or poison control center immediately (800)876-4766 or (800)222-1222. In the case of anticoagulants, materials may reduce the clotting ability of the blood and cause bleeding.
